

FOREMAN TALKS

Health Broke Down Eighteen Years Ago.

Gains Twenty-Five Pounds by Taking Tanlac.

"No, sir, I couldn't do a lick of work at the time I commenced taking Tanlac, but now I have gained twenty-five pounds and have gone back to my work feeling better than I have in eighteen years," was the remarkable statement made recently by Ora Ellis, section foreman of the P. & U. railroad, living at 708 Hulbert street, Peoria, Ill.

"About eighteen years ago my health broke down," Mr. Ellis continued, "but I managed to hold my job until three years ago, when I got so bad off I could not stand up under the strain any longer and had to give up. My kidneys were all out of order and I had such awful pains in my back that I was in bed for weeks at a time. Rheumatism set in and I was in such agony I could hardly turn over in bed, and you may believe it or not, but I suffered so much that when I finally got up out of bed I was actually gray-headed. My stomach was all out of shape and after eating I would have severe pains and cramps that sometimes laid me up for days. I had a burning fire in my chest and stomach and I would bloat up with gas until I felt miserable. Sick headache spells would come on me and I lost weight until I was as weak as a rag and hardly had strength enough to even get around."

"One day one of the boys who had been off on the road, came in to see me and was looking no fine—and healthy I hardly recognized him because the last time I saw him he was in an awful bad fix. He told me that Tanlac had done it all and that he had heard about the condition I was in and had come to get me to try it. Well, sir, that convinced me, and I started taking it right then and there, and now it has fixed me up so fine that it seems like a dream the way I have changed. My kidneys were never in better condition before and the pains in my back have all left me. The rheumatism has also disappeared and so have those sick headache spells that used to trouble me. I can eat anything set before me and never have a touch of indigestion afterwards. I have gained back all my lost weight, and more, too, and I have gone back to my work as section foreman on the P. & U. railroad and can do as much work as any one of my men. I am in as good health as I ever was, and I feel just like I am starting life all over again. My recovery has been simply marvelous, and I will not get through praising Tanlac as long as I live."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 335 Kansas Ave., and 722 Kansas Ave.—Adv.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

"We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble."

"The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system. When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night, when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders. Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv."

SCIATIC PAINS QUICKLY RELIEVED

Keep Sloan's, the World's Liniment, handy to allay aches.

THOUSANDS of men and women, when the least little rheumatic "crick" assails them, have Sloan's Liniment handy to knock it out. Popular a third of a century ago—far more popular today.

That's because it is so wonderfully helpful in relieving all external aches and pains—sciatic, lumbago, neuralgia, overstrained muscles, stiff joints, weather exposure results. A little is all that is necessary, for it soon penetrates without rubbing to the sore spot. Leaves no mess, stained skin, clogged pores. A bottle today is a wise precaution. Keep it handy. All drugists—35c, 70c, \$1.40.

HIS "SLING" FAILS

Washburn and C. of E. Reverse David-Goliath Story.

Ichabod's Size Too Much for Presbyterians—Blue Wins.

Lo, David came up from Emporia and pluckily faced Goliath, but Goliath was too big and gave David a good spanking and sent him back to his own camp. A new version of the Biblical story, with the College of Emporia basketball team as David and Washburn as Goliath. David didn't run according to the ancient dope, and Washburn won a slow, loosely played game, brightened in spots by an occasional spectacular play. The final score was 38 to 26, with Washburn hogging the big hunk.

Washburn's size just about tells the story of the game. Once they got the ball down under their basket, they usually batted it around until it lodged in the cage. All the little fellows from Emporia could do was to tickle them in the ribs; they couldn't reach up to where the ball was bobbing around from Ichabod to Ichabod. The Blue also had it on C. of E. in shooting, but here their supremacy stopped. The little fellows were faster, passed rings around the Ichabods and had more scrap.

In Van Orden and Herzer, Emporia has two mighty good little forwards—stars, if it were not for their size. They have speed, fight, are fair shots and pass well, but whenever they hit a big Ichabod they bounced off like wobbly gentlemen from a bar in the good old days. They opened up in the second half, and it looked as if the fireworks had started. Together with Hinchaw, they broke thru the heavy Washburn defense and made some fast, under-the-basket shots. It was a pretty exhibition of fast floor work, passing and good shooting—the only real feature of the game.

The absence of Captain Grant, all-state half back, made a big hole in the Presbyterian's lineup. Grant works with Van Orden at forward and is the nucleus around which the team revolves. The team does not feel sure of itself without him in the game.

Lindell and Stevens showed up as the bright spots in the Washburn aggregation, but Captain Sharp, in his usually unspectacular, but dependable style, was in every play and was a big factor in the Blue victory. Lindell made 22 of his team's points, tossing seven goals from field and ringing eight free throws out of eleven chances. Stevens showed a better acquaintance with the basket than he has in previous games. In addition to his customary good floor and defensive game, he made four field goals.

Washburn's team work was below par last night. The team showed a tendency to daily with the ball and resort to long shots instead of working it up under the basket. Foot, Blue center, was especially detrimental to teamwork in this regard. Referee Quigley called a foul on him once for holding the ball too long in the center of the court. Too many long shots were essayed. Against a team the size of C. of E., the Ichabods should have had no difficulty in working the ball down under the basket for a better shot, instead of making chance attempts from near the middle of the court. Washburn has much to learn yet about teamwork, or must put into play what they do know.

The games with Southwestern and Ottawa, scheduled for Thursday and Saturday of this week, have been postponed on account of the flu ban. A game here with Ottawa later will be arranged. Coach Bearg announced that he had contracted for two games here with Pittsburg Normal.

HASKELL INDIANS HIT STRIDE

Win Second Victory of Season From Wesleyan by 24-14 Score.
Lawrence, Kan., Feb. 10.—Haskell defeated the Kansas Wesleyan five in a hard fought game here last night by a score of 24 to 14. The star of the Wesleyan five was Zamarriz, who made ten points. The Indians connected with the baskets from all parts of the court early in the second half and took the lead. Benny Murdock was high point man for the Indians, with five field goals.

BASEBALL STARTS APRIL 14

American League Schedule Calls for Double Opening This Season.

Chicago, Feb. 10.—Opening games in the American league April 14, shown in the schedule published to-day, will be:

The second "openings" will find the same teams paired April 22 at Detroit, St. Louis, New York and Washington.

Teams drawing the opening date at home will entertain two clubs before taking to the road.

The season will come to a ragged end as usual because of the "no Sunday game" rule in some eastern cities.

Chicago will close at St. Louis Sunday, October 3. Cleveland will close at Detroit the same day. New York and Boston close at Boston with a double-header Sunday, October 23. Washington at Philadelphia, Saturday, October 2.

OLYMPIC ASPIRANTS IN TRY-OUT.

Stars of Cinder Path From All Over U. S. Are in Boston Today.

New York, Feb. 10.—Probable Olympic games representatives will compete tonight in the annual indoor games at Madison Square Garden, of the Millrose Athletic association.

Joe Ray of the Illinois Athletic club, Chicago, will have as competitors in the one and a half mile sprint, Gordon Nightingale, New Hampshire State college; Jimmy Connolly, Boston A. A.; Allen Swede, Princeton, and Anatole Bolin, the Swedish middle distance champion.

Home Baker and Mike Devanney are entered in the three-mile event, while the 600-yard special will bring together Dave Caldwell, Boston A. A.; Tom Campbell, Yale; Early Eby, Pennsylvania; Jack Sellers and Jimmy O'Brien, of New York; Charles Padgett, of the University of Southern California, who won the inter-allied sprinting title; Loren Murchison, New York A. C., and Billy Hayes, Boston A. A., will compete in the seventy-yard special invitation dash.

Chump Aspirant in Battle Tonight.

Springfield, Ill., Feb. 10.—Frankie Marsh, American flyweight champion, scheduled to battle Jimmy Wilde, English flyweight champion, in Toledo soon, meets John (Babe) Asher, A. E. F. flyweight champ of St. Louis, in a ten round bout here tonight.

CANADIANS ENTER OLYMPIAD.

Tryouts for Places on Team to Go to Antwerp Start Soon.

Toronto, Feb. 10.—Plans for the participation of Canadian athletes in the Olympic games at Antwerp next summer are rapidly maturing. The Canadian Olympic committee has decided to offer the position of rowing coach to Joe Wright, providing some equitable arrangement can be made with the University of Pennsylvania where he is under contract for the coming season. Walter R. Knox, former star athlete, has been appointed coach of the track and field team and other coaches will be selected later.

Trials for the ice hockey and skating teams will be held soon and tryouts for the summer's cyclists, rowers and other divisions will follow later. The Canadian canoe association desires that canoeing events be added to the Olympic games rowing program and has offered to send two war canoe crews to Belgium to give exhibitions providing the Olympic authorities will sanction such exhibitions. The Canadian Olympic committee already has received a grant of \$15,000 from government authorities toward the expenses of the team and hopes to obtain a further contribution in view of the increased costs of transporting and quartering athletes in Antwerp.

CONTINUE FIGHT ON JOHNSON

American League Factional Fight Will Be Resumed at Chicago Meeting.

Chicago, Feb. 10.—A continuation of the American league factional fight that might prove second in interest only to the possible selection tomorrow of a successor of August Herrmann as chairman of the National Baseball Commission was in prospect today when the American and National Leagues went into their annual session. The meeting of the older organization apparently was to be short as there was little work to be accomplished aside from adopting the schedule for the coming season.

Three other leagues—the American Association, the Three Eye, and Western—also were in session today. So far only informal talk apparently has been indulged in regarding a new national commission chairman. No man seemed to stand out as a definite choice. The election probably will be held tomorrow after the joint major league meeting.

JUMPED ON, NOT OFF, TRACK.

Manhattan Jeweler Thought He Was Avoiding Train.

Manhattan, Kan., Feb. 10.—Believing that he was jumping off the track, R. E. Lofnick, 64, a jeweler, jumped squarely in front of an approaching train Sunday afternoon, and was struck by the pilot bar of the engine. One of his legs was broken in two places, the other broken once and dislocated, and four ribs were broken.

Mr. Lofnick recently recovered from a long illness. He was taking a walk in the country, the first his illness had allowed this winter, when injured.

Owing to his age and weakened condition, his condition is serious.

CHANGE MEETING PLACE.

Mine Officials of District 14 Only Ones Who Really Cared for Change.

Pittsburg, Kan., Feb. 10.—The call for the biennial convention of District 14, United Mine Workers, to be held in Kansas City the week of March 8 was issued at district headquarters yesterday. The only opposition to removing the convention from Pittsburg came from Mulberry, Scammon and Frontenac, where locals favored their home towns as the convention city, district officials say.

Ruth Gets Share of Purchase Price.

Boston, Feb. 10.—Babe Ruth today announced that he would attempt to obtain \$15,000 of the \$125,000 which the Boston Americans are said to have received for his release to the New York Yankees. Ruth said he would sign with the Yankees at the salary agreed on, reported to be \$18,000 a year.

Good News Lung Sufferers

An interesting booklet describing a remarkable method of combating the ravages of tuberculosis is published by SANOSIN 500 N. Unity Building, Chicago and will be sent free upon request. Write for it today.—Adv.

TO THE PUBLIC THEATERS WILL BE OPEN AS USUAL

We, the undersigned, are of the opinion that in a city like Topeka it would be folly to expect to obtain relief through closing of our Theaters, when crowded transportation lines and other densely packed places of assembly such as ten cent stores, department stores, and many others of that kind are permitted to operate.

These Are Facts

Topeka is the only city of importance in the United States having taken action to close the theaters. The moving picture theater was of great assistance to the Department of Health in every city in furthering the work of Public Health Education during the influenza epidemic of 1918. Managers of the various theaters gave brief talks before the openings of each performance, advising their patrons of the requirements of the Board of Health, regarding sneezing, coughing and expectorating. In every moving picture theater messages were flashed on the screen with appeals from the Board of Health for the co-operation of the public in stamping out the epidemic.

Audiences Will Be Limited

We will limit our audiences to the number of persons that can be seated. Willful or careless coughers or sneezers will be excluded from our houses.

Our Reason

Our principal purpose in keeping open our theaters is to prevent the spread of panic and hysteria, and thus to protect the public from a condition of mind which would predispose it to physical ills.

Our Theaters Are Properly Ventilated

Break a Cold In Few Hours

First dose of "Pape's Cold Compound" relieves all stuffiness and distress—No quinine! Costs little!

Don't stay stuffed up! Quit blowing and snuffing! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a cold and ends all griping misery. The first dose opens clogged-up nostrils and air passages of head; stops nose running; relieves headaches, dullness, feverishness, sneezing, soreness, stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance. Tastes nice. Contains no quinine. Insist on Pape's!

OUCH! LAME BACK

Rub Backache, Lumbago, Soreness and Stiffness Away—Try This!

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin. Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.—Adv.
